**Destination Information:
Atlanta**

Atlanta, the “Capitol of the South”, is in the midst of another rebirth. New offerings recently added to our portfolio include the **Georgia Aquarium**...the largest in the world, **The New World of Coke**...celebrating all things related to our hometown hero, and an amazing renovation and Renzo Piano designed addition to **The High Museum of Art** that has opened a world of opportunities for world-class exhibits. Still to come are the **Center for Human and Civil Rights Museum**, **The Museum of Science** and **The College Football Hall of Fame**.

A Few Program Highlights:

- Producing mirror events in two different ballrooms, in hotels across the street from each other, for a group of 2,000 pharmaceutical representatives celebrating the merger of two companies. Décor and entertainment were exactly the same in each venue...with the entertainers moved from hotel to hotel on cue!
- Successfully executing the first “Dinner on the Diamond” for 300 guests at the home of the Atlanta Braves, Turner Field.
- Creating a dine around program for 2,800 guests broken into groups of ten including reservation and menu planning, staffing at each location, and transportation logistics.

Client Testimonials:

“Thank you for the flawless execution from Presenting Atlanta. You and your staff are hands down the best DMC contacts we have ever worked with.”

Excellence in Motivation

“We always receive positive feedback from our members but this year it’s been overwhelming! We didn’t do anything out of the ordinary, but working with Presenting Atlanta made our meeting extraordinary.”

Specialty Tools and Fastners Distributors Association

“I just wanted to send a note from our team complimenting you on a “home run” performance for our Atlanta program. I have worked with other Atlanta DMC’s in the past and you outperformed all of them. We are long term clients based on your performance on site and in preplanning and can’t wait to work with you again.”
